### New UST Data Management/Online Filing System Training

In July, MassDEP transitioned from paper-based underground storage tank (UST) registration and reporting to a new online data management and filing system. The agency is offering both webinars and workshops to help UST system owners, operators and third-party inspectors register as users and become familiar with new registration and reporting requirements.

#### Webinars

These online sessions cover registering as a user; navigating the data management system; preparing and/or submitting UST registration documents and compliance certifications; and, for third-party inspectors, initiating TPI reports and “sharing” them with clients.

Date	Times	Capacity	Call-In Info
Wednesday 9/2/2015	1-3pm	Unlimited	617-292-5890 / Bridge # 87432
Wednesday 9/16/2015	9-11am	Unlimited	617-292-5890 / Bridge # TBA
★ Thursday 9/24/2015	1-3pm	Unlimited	617-292-5890 / Bridge # TBA

You do not need to pre-register. Details on each webinar session will be emailed to *all* TPIs in advance. To follow along with the webinar presentation, type <https://join.me> into your web browser. On the Join.Me home page, type **massdep-eim** into the green “Join Meeting” box, then click on the arrow or press Enter.

★ *Third-Party Inspectors must attend webinars marked with a red star before they can access the nSPECT online inspection reporting system.*

#### Workshops

These hands-on sessions are for UST system owners, operators and staff who are responsible for preparing and/or submitting UST registration documents and compliance certifications.

Date	Session 1	Session 2	Capacity	Facility & Location
Monday 9/21/2015	10am-12noon	1-3pm	20	North Shore CC - Cummings Ctr., Beverly
Tuesday 9/29/2015	10am-12noon	1-3pm	15	Mass Bay CC, Wellesley
Thursday 10/8/2015	10am-12noon	1-3pm	24	Cape Cod CC - Hyannis Ctr., Hyannis

Workshop space is limited and available on a first-come, first-served basis. UST system owners and operators with the soonest submittal due dates will receive priority. Additional sessions will be added based on demand. To reserve a seat, please email your name, company and preferred date/session to [dep.ust@state.ma.us](mailto:dep.ust@state.ma.us). When a session reaches capacity, MassDEP will update the table above to indicate it is “closed.”
